

# trail description: 25 miles

Ribbons are on the right. Three ribbons mark an upcoming turn, look to find the ribbon telling you which way to turn.

Ribbons are on your RIGHT shoulder

## Loop 1: PINK & WHITE with sparkle.

Leave Lily Glen through the gate across DIM Hwy. Look both ways and be careful. The ride will START across the street so there is no need to hurry.

In about a mile, a sharp Right turn onto dirt road. Follow until the dirt road ends at a gravel road. Turn right. Swerve left around the cattleguard. Keep following the same road to the LEFT turn by a fire safety sign. Follow the ribbons down the road and through the woods to another gravel road. Turn Left. Follow for one mile, turn Right on dirt road, go around the Yellow Gate. Follow the ribbons up the hill and through several forks.

Turn left thru the woods and Left again on the dirt road. Follow down to a gravel road. Turn Left for about 1/4 mile then Right onto a dirt road. Follow to a Left turn, out into a meadow, turn Right onto an old road bed. Follow the ribbons down and around the trail. Emerge onto a red cinder road (the 150 road) Turn Left. Follow till this road dead ends in a gravel road, Turn Left. Go for a bit, Turn Left again onto a dirt road/trail. Follow through the woods, emerging onto a dirt road. Turn Right, Follow to the end. Turn Left and return around the cattleguard. down the gravel road to the Left onto the dirt road. Follow back across the somewhat paved road and on to the sharp Left turn onto the trail back to ride camp. Be careful crossing the highway. The vet check is in the middle of camp so please walk through camp to the water and the vet line.

## Loop 2: Green, Blue & White

Leave Camp across the creek. Straight back to the green gate. Follow ribbons across the paved road (Keno Access Rd) Walk and Watch.

Take the gravel road straight back, it turns to a dirt road, continue. You will top a rise and drop down into a meadow. Turn Left, Cross the creek. Then bear Right. Look for the ribbons around the top of the meadow. Go through the burn area, down the dirt road to the intersection. Turn Right. follow road to next Right turn. Follow ribbons to a another Right turn. Follow that dirt road to a heavily marked Left turn onto a dirt road.

Follow that road to an open gas line cleared area. Turn Left onto the dirt track. Over the rise and down to a dirt road, turn Right. follow to the cable gate and go around. Turn Left for a short distance, Turn Right to cross the paved road and get onto the dirt road across the street. Follow to the end, follow the trail, cross a creek and

follow on to Turn Left onto the Lake Trail. Follow the Lake Trail back to a green gate into ride camp. Follow the trail and cross the creek back into ride camp.
