The Rogue Riders are a southern Oregon Endurance riding group, many of whom have been in this sport since the early 1980's. We are here to share our love of this sport and trails with you. We hope you'll enjoy your experience here. We're in the process of learning the computerized ways of doing things and hope to have a downloadable GPS trails route for you. Be kind, we're old school.

Lily Glen Horse Camp is part of the Jackson County Parks. We hope you will enjoy your weekend and help us maintain good relations with the Park by cleaning up after your horse. There is a manure dump area between Camp A & B, just know the wheel barrow provided is often in use. Please clean around your camp and corral before heading home. With the Parking Pass we provide at the management table) you can enjoy a shower at Howard Prairie Lake Resort.

We received our Sanctioning and Insurance from the AERC because we agreed to abide by the Covid guidelines. We ask that you social distance so we may continue to put on this event.
